# SUMMARY OF BENEFITS

**2026 | SOUTH FLORIDA**

**DrMax**  
(HMO) H4140-001

**DrSelect**  
(HMO) H4140-012

## Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Member Services representative at (786) 460-3427 or toll-free (833) 342-7463 (TTY: 711), 7 days a week, 8AM to 8PM.

### Understanding the Benefits

- ☐ The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit [www.doctorshcp.com/2026plans/](http://www.doctorshcp.com/2026plans/) or call (786) 460-3427 or toll-free (833) 342-7463 (TTY: 711) to view a copy of the EOC.
- ☐ Review the Provider Directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the Provider Directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the formulary or “Drug List” to make sure your drugs are covered.

### Understanding Important Rules

- ☐ **Effect on Current Coverage.** If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- ☐ You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/co-insurance may change on January 1, 2027.
- ☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).

## Who can join?

To join **DrMax (HMO)** and **DrSelect (HMO)**, you must be entitled to Medicare Part A, be enrolled in Medicare Part B and live in our service area.

The service area for DrMax is Miami-Dade County. The service area for DrSelect is Miami-Dade and Broward counties.

## Which doctors, hospitals and pharmacies can you use?

**Doctors HealthCare Plans, Inc.**, has a network of doctors, hospitals, pharmacies, and other providers. Depending on your plan, you may need a referral to visit a specialist. Except for emergency, urgent, and preventive services, certain services require prior authorizations and/or referrals.

To get detailed information about your covered services, please see the Evidence of Coverage (EOC).

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.

You can see our plan's provider and pharmacy directory at our website ([www.doctorshcp.com/2026providers/](http://www.doctorshcp.com/2026providers/)).

Or, call us and we will send you a copy of the provider and pharmacy directories.

## Do you have Medicare and Medicaid?

If you are cost-share protected by Florida Medicaid, our providers aren't allowed to collect or bill you for services and items covered under Medicare Part A and Part B, including deductibles, coinsurance, and copayments. If a provider asks you to pay, that's against the law. You may however be responsible for a small Medicaid copayment. If you are cost-share protected and you are billed or asked to pay the provider for deductibles, coinsurance, or copayments on covered Medicare Part A and Part B services tell your provider you are cost-share protected and can't be charged. If you have already made a payment you have the right to a refund. If you have any questions, call us toll-free at (833) 342-7463, TTY- 711. We are open 7 days a week, 8AM to 8PM.

## Are prior authorizations or referrals required?

For certain procedures, services and drugs, you may need advanced approval. Please note that services that require a prior authorization and/or a referral are noted in the benefit descriptions listed in this booklet. For more information, you may refer to your *Evidence of Coverage*.

Your primary care provider (PCP) will work with you to coordinate the care you need with specialists or certain other providers in the network. This is called a "referral." Certain procedures, services and drugs may need advance approval from this plan. This is called "prior authorization." To learn more about services that require a referral or prior authorization from the plan, contact your PCP, refer to the Evidence of Coverage (EOC) or call us.

## What do we cover?

Like all Medicare health plans, we cover everything that Original Medicare covers – and *more*. Some of the extra benefits are outlined in this booklet.

We cover Part D drugs. In addition, we cover Part B drugs including chemotherapy and some drugs administered by your provider.

- You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website, [www.doctorshcp.com/2026druglist/](http://www.doctorshcp.com/2026druglist/).
- Or, call us and we will send you a copy of the formulary.

### How will I determine my drug costs?

**With just a few easy steps, you can find out what your covered drugs will cost.** Our plan groups medications into 6 tiers. The amount you pay for the drug will depend on what tier your drug is in. You will need to use your formulary to determine the tier. Then, go to the Summary of Benefits Prescription Drug section and match your drug to the tier to determine the cost.

Generally speaking, members must use a pharmacy in our network. You may get your covered drugs from pharmacies not in our plan only when you are unable to get your prescription drugs from a pharmacy that is in our plan.

To find a pharmacy in our plan, see our online Provider Directory on our website at [www.doctorshcp.com/2026Providers/](http://www.doctorshcp.com/2026Providers/) or call us to obtain a copy.
