

Provider Bulletin: Doctors Healthcare Plans Optometry

Release Date: 09/29/2022

Dear Doctors of Optometry,

We at Doctors HealthCare Plans, Inc appreciate the relationship we have with you. In the spirit of continued collaboration, we ask that you keep in mind that we have a robust network of participating Ophthalmology Providers and request that you refer to them when these services are necessary.

We would like to remind you that institutions such as University of Miami Bascom Palmer are used for tertiary services only.

Referrals to these facilities should be submitted through the In-Network Ophthalmology Providers. We look forward to working together with you and value your contribution to the care of our Members.

If you have any questions, please contact Jessica Vicente at our Provider Relations department. Tel. 785-584-8339 ext. 971.

Sincerely,

Jorge Cabrera, MD
Chief Medical Officer
