

Doctors HealthCare Plans, Inc. Interoperability APIs

We understand the importance of improving health information access for our members. In accordance with the Centers for Medicare & Medicaid Services (CMS) guidelines we have made Member and Provider Directory APIs (application programming interface) available for members who consent to have their data shared with third-party vendors. Please visit the website below for APIs, usage, and other information:

Important information you should review before installing app:

- Federal Trade Commission (FTC) information:
<https://www.consumer.ftc.gov/articles/how-protect-your-privacy-apps#before>
- **FTC information about mobile app privacy and security for consumers:** <https://www.consumer.ftc.gov/articles/0018-understanding-mobile-apps>
- If you think your data has been breached or an app has used your data inappropriately contact:
 - **Doctors HealthCare Plans, Inc:**
 - Call Compliance Helpline: (833) 500-3427 or
 - Click here: <https://www.doctorshcp.com/compliance-contact-us-form/>
 - Most third-party apps fall under the jurisdiction of the Federal Trade Commission (FTC) and the protections provided by the FTC Act. The FTC Act, among other things, protects against deceptive acts (e.g., if an app shares personal data without permission, despite having a privacy policy that says it will not do so).
 - **You may file a complaint with the FTC:**
