UNDERSTANDING THE BENEFITS

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit www.doctorshcp.com/2023Plans/ or call (786) 460-3427 or toll-free (833) 342-7463 (TTY:711) to view or request a copy of the EOC.
- Review the Provider Directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the Provider Directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the Formulary or “Drug List” to make sure your prescription medications are included.

UNDERSTANDING IMPORTANT RULES

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month. If you have Medicaid, your Part B premium may be paid by the state. Your costs with this plan (premiums, copayments, coinsurance, and deductibles) will vary based on your level of Medicaid eligibility and the assistance you receive from Medicaid as well as the amount of “Extra Help” you get from Medicare.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2024.
- Point-of-Service benefit (POS):** All plans have a Point-of-Service benefit. This benefit allows you to access out-of-network specialists in Miami-Dade and Broward Counties. The following specialties are excluded: Pain Management, Dermatology, Oncology, and Behavioral Health. This benefit allows you access up to your plan’s specific benefit amount for specialist office visits only, without a referral. These services require a prior authorization. Your specialist should call the plan for authorization. Prior authorization allows for coordinated, efficient use of providers for covered health care services and ensures that members receive the most appropriate level of care in the appropriate clinical setting. As a member of our plan, you can choose to receive care from out-of-network physicians, for office visits only. However, please note providers not contracted with the plan are under no obligation to treat you except in emergency or urgent situations. To get detailed information about your covered services please see your EOC.
- DrPlus (HMO-POS D-SNP) H4140-002:** This plan is a dual eligible special needs plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid.
- DrExtraCare (HMO-POS C-SNP) H4140-004:** This plan is a chronic condition special needs plan (C-SNP), for people living with Chronic Heart Failure and/or Diabetes Mellitus. Your ability to enroll will be based on verification that you have a qualifying specific severe or disabling chronic condition.

In a DrPlus (HMO-POS D-SNP) plan, the state Medicaid program pays the cost sharing for Medicare-covered medical services you receive. You pay no cost sharing for the Medicare-covered benefits described earlier in this Summary of Benefits. You will pay small copayments for prescriptions covered under the Medicare Part D prescription drug benefit. When you receive health services, the provider should only bill DrPlus (HMO-POS D-SNP) or the state Medicaid program for the cost of those services and cost-sharing amounts. The provider should not bill you for services or cost sharing.

If you receive care from a non-contracted provider, the provider may not understand DrPlus (HMO-POS D-SNP) or these billing rules. If you receive a bill from a provider for Medicare-covered services, please notify Member Services so we can help you. Please refer to DrPlus (HMO-POS D-SNP) Evidence of Coverage for more information.

The benefits listed below are covered by Medicaid. The Plan shall provide covered services contained within the following Medicaid rules and associated fee schedules found in the next section.
