Doctors HealthCare Plans, Inc. is an HMO plan with a Medicare contract and a contract with the State of Florida Agency for Health Care Administration. Enrollment in Doctors Health Care Plans, Inc. depends on contract renewal. Medicare approved Doctors HealthCare Plans, Inc. to provide these benefits and lower co-payments as part of the Value-Based Insurance Design program. This program lets Medicare try new ways to improve Medicare Advantage plans.

This information is not a complete description of benefits. Call (786) 460-3427 or (833) 342-7463 (TTY:711) from 8AM to 8PM, 7 days a week, for more information.

# Pre-Enrollment Checklist

---

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak with a member services representative at (786) 460-3427 or toll-free (833) 342-7463 (TTY:711), 7 days a week, 8AM to 8PM.

## UNDERSTANDING THE BENEFITS

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit [www.doctorshcp.com/2024Plans/](http://www.doctorshcp.com/2024Plans/) or call (786) 460-3427 or toll-free (833) 342-7463 (TTY:711) to view or request a copy of the EOC.
- Review the Provider Directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the Provider Directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the Formulary or “Drug List” to make sure your prescription medications are included.

## UNDERSTANDING IMPORTANT RULES

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month. If you have Medicaid, your Part B premium may be paid by the state.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2025.
- DrPlus-B (HMO D-SNP) H4140-010:** These plans are dual eligible special needs plans (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid.
- Effect on Current Coverage:** If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.

### Important Message About What You Pay for

**Insulin:** You won't pay more than \$35 for a one-month supply of each insulin product covered by our plan, no matter what cost-sharing tier it's on.

### Important Message About What You Pay for

**Vaccines:** Our plan covers most Part D vaccines at no cost to you. Call Member Services for more information.

For a complete plan formulary (list of Part D drugs) and information on any restrictions or limitations, visit our website at: [www.doctorshcp.com/2024druglist/](http://www.doctorshcp.com/2024druglist/), or call us to obtain a copy of the drug formulary.

### With just a few easy steps, you can find out what your covered drugs will cost.

Our plan groups medications into 6 tiers. The amount you pay for the drug will depend on what tier your drug is in. You will need to use your formulary to determine the tier. Then, go to the Summary of Benefits Prescription Drug section and match your drug to the tier to determine the cost.

Generally speaking, members must use a pharmacy in our network. You may get your covered drugs from pharmacies not in our plan only when you are unable to get your prescription drugs from a pharmacy that is in our plan.

To find a pharmacy in our plan, see our online Provider Directory on our website at [www.doctorshcp.com/2024Providers/](http://www.doctorshcp.com/2024Providers/) or call us to obtain a copy.
