

## IMPORTANT UKONIQ 200 MG TABLETS DRUG WITHDRAWAL NOTICE

Dear Member,

This letter is to inform you of a change to our formulary.

Effective on June 1<sup>st</sup> 2022, all **UKONIQ 200 mg tablets** are being removed from the formulary.

We are removing all **UKONIQ 200 mg tablets** because they were removed from the market by the manufacturer due to a safety concern.

You may be able to use another drug to treat your medical condition that is on our formulary. You should ask your prescriber what is right for you.

If you have any questions regarding this change, you may contact us at 1-833-342-7463 TTY 711, 7 days a week; 8AM to 8PM EST.

Sincerely,

Please disregard this letter if you are not currently taking **UKONIQ 200 mg tablets** or if this withdrawal does not apply to you. Our records may not be complete, or your doctor may have discontinued this medication.

Thank you,

**Doctors HealthCare Plans, Inc.**
